

URGENT! The June 18th Deadline is Upon Us **INSTRUCTIONS For Final Days of Pro-Life Petitioning**

WE NEED YOU! HELP END ABORTION IN MONTANA! Make every prenatal child a protected person by both love and law! PLEASE after you read this; pass these instructions on to a friend who is willing to get more signatures: even if it's just 2, or 20 or 30, **each signature counts!**

1. Only registered voters may sign. After YOU'VE signed, get as many more signatures as you can. You may copy petitions but they must remain two sided front and back. But you only need one **notarized** affidavit which can be attached to up to 25 petitions.
 2. **IMPORTANT:** Determine which county to petition. First write that county name at the bottom on both sides. Signers must be registered to vote in THAT County for THAT petition. If you collect from other counties download more blank petitions at our website: www.montanaprolifecoalition.org where you'll find answers to many questions.
 3. Deliver your petitions to the county clerk's office later than Friday, June 18th If you do they can also notarize your affidavit saving a step in the process. Even if your signature is the only one on the petition, you still need to attach your notarized affidavit before mailing it. If you mail it get affidavits notarized at a bank (service is free.) For county clerk mailing addresses: **e-mail: info@MontanaProLifeCoalition.org**. If you live a far distance from your election office, contact us for options for handing in petitions. 406-270-0606
 4. Make sure all information is legible. For example the signer must PRINT their name and address. This is important or they may be discounted. Leave the last two columns blank.
 5. People can only sign **ONE TIME**. Many will sign when you ask them. We gave you an extra petition and affidavit to give away. Friends gathering more signatures will multiply your effort!
 6. Remember, you may print many petitions yourself, just follow the steps above. Take them to churches, outings, small groups, Tea Parties, fairs, parades, auctions etc. **Give many away!**
- Okay. That's it. You're ready to go. Contact us by e-mail (above) for any updates, questions or petition opportunities. Thanks for doing this and more "for the least of these."

Bless you, most of all, in Jesus Name!
